Xixi this is the place
Because of yesterday's rainstorm rocks are blocking the path
Oh!
What an old man the village head is thinking of me only now!
Ehl
Normally he kicks up a ruckus trying to chase me out
So it's here! Leave it to me!
Isn't it just that I'm a little strong and knocked their house down?
咪!

It wasn't on purpose!
唰哒—
He wasn't serious about chasing you out
You're so strong and do so much farm work
It'd be great if I had your strength. Then, we could protect the village
Gu Yao, you don't eat enough. Otherwise, you would be as strong as me!
咯哒—
咯哒—
唰!
咯哒—

轰隆隆
If that old man really wanted me gone
I'd throw all these rocks into his field and see how he works then!
Haha
Now, now
啾啾
啾啾
啾啾
啾啾
纷纷乱乱

Wah, what's with these birds?!
Just where are they coming from?!
啪啪
啪啪
轰隆
呼呼呼
What what is that?!

A... a demon!

This is bad!
They're coming this way!
Gu Yao, run!

Gu Yao!
Ah!
Wa!
I'm okay!
They're coming again!
